INDEX TO VOL. VII

A

Page.

Abdominal Organs, Vaso-motor Innervation and Circulation of..... 540
Accelerator Nerves of the Heart..... 336
Acid, Carbolic..... 165
Aconite, Morphia as an Antidote to..... 353
Acute Diffuse Myelitis..... 653
Acute Myelitis..... 669
Æsthesiogenic Properties of Wood by External Application..... 753
Alcohol..... 756
Alcohol and Thermogenesis..... 559
Alterations, Trophic, of the Maxilla in Tabes..... 155
American Neurological Association..... 465
Anæsthesia of the Digestive Tracts in Lypemania..... 548
Analgesia, Therapeutic..... 354
Anatomy, Cerebral..... 137
" Encephalic..... 658
" and Physiology of the Nervous System..137, 338, 535, 728
Animals, Fissure of Rolando as an Index to the Intelligence of..... 273
Anomalies, Cerebral..... 343
Aphasia, Saturnine..... 735
Apomorphia..... 169
Apoplexy, Stertorous Breathing in..... 748
Architecture and Mechanism of the Brain..... 206, 407
Arsenic Hypodermically in Chorea ... 167
Asylum Management..... 324
" Reform..... 532
Ataxic Arthropathies, Analysis of Bones in..... 340
Ataxy..... 343
Atropia..... 353
" Action of upon the Circulation 168
" in Pertussis..... 165
Atrophy of the Cerebellum..... 340
" Muscular..... 502
" Progressive Facial..... 250

B

Basedow's Disease, Pathogenesis of... 154
Bilateral Sclerosis of the Cord after unilateral Lesion of the Brain..... 740
Blood-letting for Headache..... 354
Blood Vessels, Action of Nitrite of Amyl on..... 352
Bodily Weight, Decrease in, after Epileptic Attacks..... 154
Books and Periodicals Received..... 172, 358, 568, 761
Brain Affections, Optic Neuritis in..... 152
Brain, Architecture and Mechanism of. 206, 407
Brain Disease, Unilateral Convulsions due to..... 744
Brain, Grey and White Substance of... 536
" Microscopical Studies of..... 365
" Movements of..... 728
Bromide of Ethyl.....496, 563, 566
Bromohydrate of Conia..... 564

C

Caffein, Citrate of..... 169
Canals, Semicircular 538

Page.

Carbolic Acid..... 165
Cause of Puerperal Convulsions..... 146
Cerebral Anomalies..... 343
" Anatomy 137
" Complications of Chorea..... 151
" Cortex, Visual Sphere of..... 141
" Disease, Affections of Vision from..... 747
" Localization..... 42
Cerebro-Spinal Ganglia, Nerve Cells of. 330
Cerebro-Spinal System, Plan of..... 573
Cerebrum, Physiology of the Normal Sphere of..... 331
Cerebellum, Atrophy of..... 340
Cerium, Oxalate of..... 565
Cervical Pachymeningitis 490
Changes of Muscle Irritability dependent on Blood Supply..... 142
Children, Hysteria in..... 743
" Insanity in..... 736
Chloral 165, 168
" Effects of..... 348
" Hydrate..... 166
" Inebriety 168
Chloroform..... 168
Chorea, Arsenic Hypodermically in..... 167
" Cerebral Complications of..... 151
" Fatal..... 738
" Paralytic..... 740
Chorda Tympani Nerve..... 339
Cinchonidia..... 755
Circulation, Action of Atropia on..... 168
Cocculus Indicus in Epilepsy..... 754
Coffee and Tea..... 752
Coincidence of Optic Neuritis and Sub-Acute Transverse Myelitis..... 177
Colic, Hepatic..... 161
Color, Perception of..... 333
Colored Lights, Rapidity of Perception of..... 358
Columns, Limited Sclerosis of the Lateral and Posterior..... 206
Condition of the Pupil in General Paresis 553
Conduction of Sensibility in the Spinal Cord..... 330
Conduction of Sensory and Moter Impulses in the Cord..... 146
Conia, Bromohydrate..... 564
Conjugate Deviation of the Head and Eyes..... 548
Contractures 158
Contractility, Electro-muscular..... 333
Contributions to Nervous and Mental Pathology..... 613
Contributions to Psychiatry..... 631
Convulsions, Puerperal, Cause of 146
Convulsions, Unilateral due to Brain Disease 746
Cord, Functions of the Posterior Columns of..... 336
Cornea, Nerves of..... 146
Corpora Quadrigemina..... 535
Cranial Thermometry..... 733
Criminality..... 62
Cutaneous Nerves..... 341
Cutaneous Sensibility, Qualitative Analysis of..... 541
Curability of Insanity..... 139

Page.

Spasm, Nocturnal Rotary..... 390
" Stretching the Facial Nerve for. 496
Spinal Cord, Conduction of Sensibility in..... 330
Spinal Cord of the Frog..... 16
" Unilateral Lesion of..... 738
" Vascular Supply of..... 535
Spinal Ganglia, Medullary Development in..... 338
Spinal Ganglia, Multiplicity of the Lumbar and Sacral..... 731
Spinal Inhibitory Nerves, Decussation of..... 57
Stertorous Breathing in Apoplexy..... 748
Stretching the Facial Nerve for Spasm. 496
Strychnia..... 758
Strychnia on Sensory Nerves..... 758
Sudden Anæmia of the Head, Effects of 328
Sugar, Influence of the Nervous System on the Formation of..... 338
Sulcus Rolando and Intelligence..... 273
Sutures in Divided Nerves..... 348
Symptoms of Chloral Inebriety..... 168
Syphilitic Insanity..... 748
Syphilis, Psychoses of..... 449

T

Tabes, Nerve Stretching in..... 754
Tabes Dorsalis, Etiology of..... 342
Tea..... 752
Temperature in the Paralytic Insane... 346
Tendon-Reflexes and Their Relation to Muscular Tonus..... 729
Tetanus..... 152
Thalamic Epilepsy..... 492
Thalictrum Macrocarpum..... 562
Therapeutics of the Nervous System and Mind..... 165, 348, 559, 750
Thermometry, Cranial..... 732
Tobacco..... 561
Topography of the Nerve Fibers in the Trunk of the Optic Nerves..... 537

Page.

Torticollis, Electricity in..... 355
Transfer-Phenomena in Epilepsy Produced by Encircling Blisters..... 745
Transitory Paralysis in Children Followed by Permanent Deafness..... 549
Transfer of Sensations..... 402
Transfer of Sensibility..... 144, 335
Treatment of Epilepsy..... 750
Tremor, Galvanic Bath in Treatment of 755
Trigeminus, Vaso-Dilator Effects of Excitation of..... 337
Trophic Alterations of the Maxilla in Tabes..... 155
Tubercular Meningitis..... 51
Tumor of the Encephalon..... 508

U

Unilateral Convulsions due to Brain Disease..... 744
Unilateral Lesion of the Spinal Cord... 738

V

Vaso-Dilator Effects of Excitation of the Peripheral End of the Trigeminus..... 337
Vaso-Motor Innervation and Circulation of the Liver and Abdominal Organs..... 540
Venous Circulation of the Brain..... 731
Vision, Acuteness of..... 338
Vision, Affections of from Cerebral Disease..... 747
Visual Sphere of the Cerebral Cortex.. 141
Vitiligo, Changes in the Cutaneous Nerves in..... 241

W

Water as a Prophylactic..... 484
Wood, Æsthesiogenic Properties of.... 758
